15/11

15 July 2011

# LONDON OPEN MEETING

The recent Police Federation of England and Wales Open Meeting to protest against the proposed changes to pay and conditions attracted a wide variety of speakers including Yvette Cooper, Keith Vaz and Brendan Barber T.U.C. General Secretary. The overall message given out by the meeting was that the government's chaotic approach to policing will end in disaster.

The negotiations into Winsor Part One continue at P.N.B.
